

On the basis of Articles 9 and 12 of the Cosmetic Products Act (Official Gazette of the Republic of Slovenia, No. 66/00 and 65/03), the Minister of Health issues the following

RULES
**on the form for the notification of suppliers of cosmetic products and the
procedure or notifying new cosmetic products prior to their first placing
on the market**

Article 1

These Rules determine the form used for notifying suppliers of cosmetic products and the method of notifying new cosmetic products prior to their first placing on the market.

Article 2

The terms used in these Rules have the same meaning as those in the Cosmetic Products Act (Official Gazette of the Republic of Slovenia, Nos. 66/00 and 65/03).

A new cosmetic product is any cosmetic product with new or changed composition and/or a new, supplemented or changed name or title.

Article 3

Suppliers of cosmetic products must notify their activities with the form given in Annex I of these Rules.

The application for the notification of activities must contain the form mentioned in the preceding paragraph, as well as an excerpt from the Companies Register which must not be older than 2 months, or any other proof showing that the supplier is established in the Republic of Slovenia and registered to perform the activities notified.

The supplier submits the notification form to the Office of the Republic of Slovenia for Chemicals (hereinafter: the Office). The Office assigns to it a reference number and sends it on a copy of the notification form to the supplier .

Article 4

Before it is first placed on the market, a new cosmetic product must be notified in the Republic of Slovenia or in the European Union. This applies to cosmetic products which:

- are manufactured in the Republic of Slovenia,
- are imported into the Republic of Slovenia from countries not members of the European

Union and their information has not been notified to the competent bodies of EU member states,

– are Community goods, but their data have not been notified to the competent bodies of the EU member states.

A cosmetic product is notified on the form from Annex II to these Rules.

In addition to the form mentioned in the preceding paragraph, the application must also include a listing of all data printed on the packaging of the cosmetic product in accordance with the Rules on the Labelling of Cosmetic Products, or a legible copy or sample of the packaging itself.

The supplier submits the notification form of a cosmetic product to the Office. The Office assigns a reference number to the cosmetic product and sends a copy of the form together with the reference number to the supplier.

Article 5

The supplier must inform the Office of any change in the data from Article 3 and 4 of these Rules not later than 15 days after the change occurred.

Article 6

These Rules come into force on the 15th day after publication in the Official Gazette of the Republic of Slovenia.
